Please accept this letter of support for Dr. Roland Maw to be the Commissioner of the Alaska Department of Fish & Game.

I have worked with Dr. Maw in a professional capacity for the past 15 years, and feel he possesses the knowledge and experience to be a successful ADFG Commissioner. Dr. Maw is well-versed in the operations of the Boards of Fish & Game, and he understands the varied and often complex issues surrounding fish and game management.

Among many other things, Dr. Maw understands the importance of proper habitat management, and he recognizes that Alaska's sustainable fish and game resources can endure for many many years with wise and prudent management.

Thank you for the opportunity to endorse Dr. Maw, and I hope you agree he would make an exceptional ADFG Commissioner.
