

PROPOSAL 178 - 5 AAC 57.121. Special provisions for the seasons, bag, possession, and size limits, and methods and means for the Lower Section of the Kenai River Drainage Area. Increase the number of days only non-motorized vessels may fish on the lower Kenai River, as follows:

An extra day of fishing from an non-motorized boat from January 1 to December 31. An example is Monday and Thursdays will be non-motorized boats only fishing on the Kenai River.

What is the issue you would like the board to address and why? The issue is overcrowding on the lower Kenai River from Skilak to the mouth and the poor quality of the fishing experience to lots of people. This will also cut down on the erosion along the banks of the river.
