(4)(A) motor-driven boat may be used as follows:...

**(iv) for residents in Unit 21**

**What is the issue you would like the board to address and why?** The Middle Yukon Advisory Committee would like to allow residents to shoot from a boat under power in Unit 21. The AC believes that shooting while under power helps keep the boat stable, and is also a safety issue since turning a boat motor off completely while you are in a flowing river is dangerous. The AC believes harvest opportunities will be lost if they are not allowed to shoot from a boat under power.
