

PROPOSAL 101

5 AAC 92.990(11). Definitions.

Change the definition for bows to include crossbows as follows:

I would like to see the definition for archery to include crossbows. The crossbow has a string and arms just like a regular compound bow or recurve bow. Yes it's more accurate but for people that cannot pull and hold a regular bow any longer they shouldn't be eliminated from a hunting opportunity and be able to use the crossbow.

What is the issue you would like the board to address and why? Change archery definition.
